

# COMMUNITY FLIER DISTRIBUTION

For preschool, bundle all community fliers together.

For elementary kindergarten through grade 3 classes, please bundle in groups of 32. For grades 4 through 6, please bundle in groups of 34.

For junior high, please bundle in groups of 34 unless indicated otherwise.

High schools do not recommend sending community fliers home in the backpack and would prefer you send fliers to each school to be left in the front offices, counseling offices and/or libraries. School staff may scan the fliers and post them on the schools' websites.
