

Twin Rivers K-6 Teachers: Creating a Class and Assigning Product

Welcome to **Go Math! Think Central** where we can assign product to our students so they have access to their textbook, digital tools, tutorial videos, etc. from any computer.

Go to: <http://www.thinkcentral.com/ePC/start.do>

using the Google Chrome or Mozilla Firefox browsers OR **new in 2017 access through Class Link in your TRUSD APPS icon.**

Teacher Log-In

Use the dropdown boxes to select your **state** (CALIFORNIA), **district**, (Twin Rivers Unified Sch Dist, McClellan 95652) and **school**. You may want to click "Remember my school".

Username: _____

Password: _____

If your computer asks if you want to allow pop-ups, select Always Allow Pop-Up From This Site.

Create Your Class

1. Classes are now created and maintained by our IT department with uploads from Aeries.
2. To put product into your students' library, click "Manage Classes" from your home screen.
3. Click on your class name, Choose "Add Adaptive Learning Products" and choose the Go Math! products listed.
4. Click all the products (Go Math! and Journeys) you would like to see in your students' library.
5. Click "Save". You can see the students in your class by clicking, "View Students" at the bottom.
6. To Make an Assignment for Go Math! You will see a green button on the dashboard labeled, "Go Math! CA Personal Math Trainer". All PMT assignments can be found here. Choose Course Based Assignments, and drill down by Chapter/Lesson.
7. For more assignments, click "Browse", "grade", "program structure", choose the unit, chapter and lesson, and review materials.
