The Twin Rivers Unified School District is seeking applicants to serve on the Citizen's Bond Oversight Committee which is an independent community group that will review how the bond funds for the four merged school Districts are being spent and issue an annual report.

At least seven (7) members are being sought. Applicants must be at least 18 years old and reside within the School District boundaries.

The deadline for applying for membership to service on the Citizen's Bond Oversight Committee is March 18, 2016. Applications are available at the General Services Administrative Office located at 3222 Winona Way, Suite 201, North Highlands, CA 95660 or by calling the General Services Office at (916) 566-1600 x 50328.

The District is required to appoint a citizens' Bond Oversight Committee as part of the accountability requirements of Proposition 39 (Strict Accountability in Local School Construction Bonds Act of 2000).

The committee, which will be appointed by the Twin Rivers Unified School District Board of Trustees, must include:

- A parent or guardian of a child enrolled in the District.
- A member active in a business organization representing the business community within the District.
- A member active in a senior citizen's organization.
- A member active in a bona-fide taxpayers association.
- A member who is either a parent or guardian of a child enrolled in the District and active in a parent-teacher organization such as the Parent-Teacher Association or a school site council.
- Two members of the community-at-large.

The committee, which is expected to meet several times a year, is charged with the following:

- Keeping the public informed regarding the expenditure of bond proceeds.
- Reviewing expenditure reports to ensure that bond proceeds are being used only for the purposes outlined in the ballot measure and ensuring that no proceeds are used for teacher or administrative salaries or for other operating expenses.
- Presenting an annual written report to the Board of Trustees

District employees, officials of the District or any vendor, contractor or consultant are not eligible to apply.

Additional information on the Citizen's Bond Oversight Committee is available by contacting me at (916) 566-1600 x 50330.

Sincerely,

Kimbely Barnett
Executive Director
General Services Division
