Re: Visits to Sites by Project Coordinator

Dear Frank:

It is the intent of the California School Employees Association and its Twin River Chapter #1717 (CSEA) to conduct site visits for the purposes of communicating one on one with our members and keeping them informed on the process and progress of contract negotiations, as well as the transition of leadership within the local CSEA Chapter #1717. Most of these site visits will be conducted by Andre Spearman, Project Coordinator, who will be conducting sites visits daily with a chapter representative.

In doing so, it is not the intent of CSEA to interfere with the normal operations of the Twin Rivers Unified School District (District), or its mission to educate students. CSEA intends to execute such visits in a manner that will continue to promote harmonious labor-management relations without disruption of our daily mission of serving the students.

Please contact me with any questions you may have. We look forward to building a relationship of trust, respect, mutual understanding, and above all the mission of serving each and every student with the highest quality of Education.

Sincerely,

CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION
