## SCHOOL HIGHLIGHTS

Our students and staff at Foothill Oaks Elementary share a strong desire to be the best we can be. Our student population ranges from transitional kindergarten to sixth grade, and we are fortunate to have four classes for children with autism, K - 6.

Foothill Oaks is especially proud that our students have access to multiple technology programs to enhance their learning experience at home and at school.

Every minute counts as we strive for unparalleled student achievement. Our 2015-2016 SBAC scores were above the district average at 31% proficiency for math and 36% for English Language Arts (ELA). Our goal this year is to increase both by at least 10%.

- K - 2 weekly art instruction
- Grades 3 - 6 weekly music instruction
