SCHOOL HIGHLIGHTS

- Northwood school offers a Pre-K through 6th grade program that includes before and after daycare
- Our school has a full-time counselor, as well as a 50% student support teacher who supports students in many ways including intervention as needed
- We also have a full-time Multi-Tier System of Support (MTSS) staff member who supports both academics and social needs
- In addition, we have a full-time Teacher on Special Assignment (TOSA) to support classroom instruction
- We offer after-school tutoring
- We have a 1:1 technology devices in almost all classrooms - this technology supports classroom instruction including access to ST Math (Jiji), Scoot Pad, Accelerated Reader, and Imagine Learning
- We have an after-school program that supports daytime instruction and offers a sports program
- Northwood offers several family nights throughout the year including: Harvest Festival, Winter Movie Night, and Valentine's Dance

EXCELLENCE IN EDUCATION

- Staff development, through our Professional Learning Communities (PLCs) is focused on implementation of Common Core State Standards (CCSS) and unit development
- Data is continually analyzed in order to maximize instruction and increase rates of student proficiency on assessments
- Staff works closely with all support staff and site administration in order to refine instructional practices

ENRICHMENT PROGRAMS

Northwood offers a variety of programs that enhance student learning before, during, and after the school day, including:

- After-school program
- After-school tutoring
- Intervention groups with student support teacher and MTSS staff
- Social skill development with counselor and MTSS staff
