SCHOOL HIGHLIGHTS

Being a small learning community at Pacific High allows us to provide a quality education and differentiate all students' personal and educational needs.

- Caring staff, strongly committed to student success
- Credit recovery
- Smaller class sizes and data driven lesson plans
- Individualized scheduling, designed to help each student gain pride and ownership of their school achievement
- Child care for students with children (infant - 3 years) at Pacific Infant & Toddler Child Care Center
- Continuation athletic program

EXCELLENCE IN EDUCATION

- The Western Association of Schools and Colleges (WASC) awarded Pacific Career & Technology High School a six-year accreditation
- Recognized as a Model Continuation High School by the California Department of Education
- CHARGE Program
- The curriculum reflects A - G requirements in all core classes
- Highly qualified and caring teachers
- Active Student Leadership class
- Race and Social Justice class
- Full inclusion model of special education where services are provided through a fully credentialed teacher while providing a daily period of consultation and curriculum support for all special education students
- Comprehensive art programs

- Choir
- Restorative Practices
- Safe School Ambassadors

NOTABLE ACCOMPLISHMENTS

- Yearbook
- Community art contest and art exhibitions
- Field trips to local colleges
- JROTC - a full program that instills pride and citizenship
 - ◊ JROTC Honor Unit with Distinction, US Army
 - ◊ Cadet Ball
 - ◊ Spring Camp

CAREER TECHNICAL EDUCATION

It is the goal of Pacific Career and Technology High School that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts.

- Classrooms are equipped with SMARTBoards, digital projection systems and desktop computers, as well as four laptop carts which provides the available use of 216 computers for students
- Career Fairs
- Workability for special education students
- Computer lab
