## SCHOOL HIGHLIGHTS

Whatever your talent, Rio Linda High School offers something for everyone! From comprehensive high school academics and career education to athletics, activities, counseling and support services. We are a diverse community that embraces and celebrates the many languages, cultures, and special interests of our student and staff population.

- Unparalleled student achievement as students study in rigorous coursework
- Preparing for both college and career is expected at Rio Linda High School which offers Advanced Placement and Career Technical Education pathways
- Our Career Technical Education/ROP programs are articulated with post-secondary institutions and career/industry professionals which enhance college and career readiness
- Rio Linda High School students are highly engaged in campus life and the many leadership, curricular, social, service, and co-curricular programs offered - Link Crew, Safe School Ambassadors, FFA - are just a few
- Visual and Performing Arts (VAPA) programs - Studio Art, Choir, Marching and Concert Band, Guitar, Piano, Drama - showcase our student's artistic talents
- Our teachers are experts in their field (scientists, writers, mathematicians, engineers, musicians) and all of our staff is engaged in supporting the success of our students

## NOTABLE ACCOMPLISHMENTS

- Rio Linda offers boys and girls comprehensive athletic programs. Our teams are highly competitive and have won league championships in football, girls basketball, and boys volleyball
- Our academic teams rank high in Academic Decathlon, Poetry Out Loud, Virtual Enterprise, FFA, Science Bowl, Knowledge Bowl and SkillsUSA
- Jazz Vocal Ensemble, Choir, and Concert Band have earned superior ratings at music festivals

## EXCELLENCE IN EDUCATION

- Western Association of Schools and Colleges (WASC) six year Accreditation (through 2019)
- 95% graduation rate
- High achieving graduates enrolled at prestigious universities such as Cal Tech, Brown, Stanford, UCLA, UC Berkeley, UC Davis, Cal Poly San Luis Obispo, Arizona State, Grambling State University, University of the Pacific, Pepperdine University, Coast Guard Academy, UC Santa Barbara and Mills College
- 18% of our seniors earn the Seal of Biliteracy for demonstrating literacy in two or more languages
- 18% of our students are enrolled in at least one Advanced Placement (AP) course
- All 9 - 11 grade students are offered the opportunity to take the PSAT, free of charge
- Project Lead the Way (PLTW) Engineering program offers a four year pathway of pre-engineering preparation incorporating advanced technology applications

## ADVANCED COURSEWORK
