April 6, 2018

Parent/Guardian of Summer School Applicant:

The rules for the 2018 Summer School Program are different than those during the regular school year. Your student's participation in summer school is not required by law in the same way it is during the regular school year. If behavior and attendance rules are broken during the summer school program, the summer school principal may dismiss a student from summer school immediately.

The rules for summer school are:

- Only _**one**_ absence is permitted per session. Students who are absent a second day will be dropped from summer school. _**Two**_ tardies equal one absence. There are no excused absences during summer school.
- Any classroom disruptions, including fights, teacher defiance, profanity or any other inappropriate behavior will result in dismissal.
- Inappropriate dress, including wearing of excessive red and blue clothing and shoe laces will result in dismissal.

By signing the Summer School 2018 Registration Form, you acknowledge that your student will comply with all above stated summer school rules and understand that if any rules are violated your student will be dismissed from the summer school program.

Respectfully,

Cynthia Andrews
Director of Special Projects
