Downloading Instructions for My Stop

Twin Rivers Unified School District's Transportation Department is providing a software application called "My Stop".

My Stop:

- Allows parents and students to view the bus stop time, location, and projected arrival time. This is available during scheduled route times only.
- Displays the actual location of the bus utilizing GPS information.
- Updates approximately every 5 seconds and adjusts the scheduled arrival time as the bus is traveling along its route.
- Will show if the bus has already passed the assigned stop.

How to access:

My Stop is available on any internet accessible computer or available for download via iPad, iPhone, Tablet m or Android mobile device.

Instructions for use:

- From a smartphone or tablet:
  - Download the My Stop App via Android/Google Play Store or the Apple App Store and search "Versatrans My Stop".
  - Open the My Stop App
  - Select Twin Rivers Unified School District
  - Enter the username (student ID) and password (date of birth- MMDDYYYY)
